

EXCLUSIVE "P" TERVIS TUMBLERS

Only available through FPD at The Viking Store!

Tervis Tumblers make the perfect gift for any occasion. This virtually indestructible design of drinkware naturally insulates beverages. Tervis Tumbler products with our three color "P" logo can be purchased any time at The Viking Store. We stock all four sizes of tumblers with just the "P" logo. We also stock all four size tumblers already personalized with ALUMNI and GRANDPARENT along with the "P" logo. However, we are now taking orders for your own personalized "P" tumblers. Order by the deadline and the tumblers will be here in early May, just in time for graduation.

- Tervis guarantees the tumbler for LIFE
- Reduces condensation & water rings on furniture
- Keeps beverages hotter/cooler longer
- Made in America

Tervis Tumblers can be purchased other places and online, but the "P" logo design is exclusive to FPD. The design is approximately 2 inches wide and is red, black and white with our "P" logo in the middle.

For non-personalized "P" logo items, simply fill out the information below. If you would like to personalize the tumbler, please complete the other side of this form. All products except the water bottle will be personalized on the opposite side that has the "P" logo. Water bottles must be customized beneath the "P" logo on the same side.
