

VIKING BUCKS ORDER FORM

From The Viking Store, official outfitter of the Viking Nation

Viking Bucks Cards are Pre-Paid Shopping Cards for Students

The VIKING BUCKS card was designed to be used as a gift card and as a pre-paid shopping card for students. Viking Bucks allow students to be able to purchase items in The Viking Store as needed without carrying cash. The card is kept in the shop, eliminating the risk of students losing the card.

With teacher approval, sixth grade students and above are allowed to visit the store during their lunch period for snacks or school supplies, and students of all ages can always visit before or after school. Money is deducted as purchases are made and students are notified when their balance is low.

Viking Bucks cards also make great gifts and can be gift wrapped any way you choose. The next time someone special needs a gift, remember that a Viking Bucks card is a great solution.

Viking Bucks cards expire at the end of the school year and are available in \$5 increments. The cards can only be used for purchases in The Viking Store.
