Sage Dining Services provides a wonderful, healthy lunch for our students in 3K - 12th grade. The 3K, PreK, and Kindergarten optional meal plan is a five day plan that provides a wholesome, nutritious lunch to our youngest Vikings each day that lunch is served during the school year. Lunches include an age-appropriate entree, delicious sides, fruit, and hormone-free milk or 100% juice. The Sage staff delivers the lunches to your child's classroom in the Kindergarten building at approximately 12:40 p.m. each day.

Frequently Asked Questions

Are there any other options for 3K - Kindergarten students besides the five day plan?
For consistency purposes, the only plan offered is the five day plan.

How are fees assessed?
Dining fees are billed in equal installments from September - May and appear on the family billing statement.

If my child is a half-day student and is enrolled in afternoon day care, may he/she participate in the FPD lunch plan?
Yes, at the five day dining plan level.

May I change my plan?
Yes. Parents must give the Business Office a written notice 30 days in advance.

Will I receive a credit if my child is absent from school and misses lunch?
If a Dining Plan enrolled student misses more than five consecutive days, some concession can be made on the monthly fee. Parents are encouraged to contact Kay Sexton in the Business Office if this situation occurs.

Is lunch provided on Early Dismissal days?
Students in grades 3K - K who are enrolled in the Dining Plan may participate in lunch on the days when grades 6-12 are released early and prior to mid-terms or finals.
