

FAQ's about automatic reenrollment

Q> What is automatic reenrollment?

FPD uses a perpetual, automatic re-enrollment process. Parents do not need to complete any forms or paperwork to re-enroll their currently enrolled child(ren) at FPD for the next school year. We will communicate tuition rates to you in early January. **Unless we hear otherwise before February 1, your enrolled child(ren) will be automatically re-enrolled for the next school year.**

Q> How can I be sure that my child is re-enrolled for the upcoming school year?

We will be send out a re-enrollment confirmation to you in February, to confirm to that your child's place at FPD is set and secure. If you would like, however, you can always call the admissions office to confirm your child's re-enrollment status. We are always glad to hear from you! Contact Kris Vaughn at kris.vaughn@fpdmacon.org or (478) 477-4774.

Q> Will there still be a re-enrollment deposit?

Yes, the re-enrollment deposit is a non-refundable pre-payment of the next year's tuition. As a deposit, it will be credited against your child's tuition charge for the upcoming school year. The re-enrollment deposit secures a place for your child and serves as a commitment to the school of your child's upcoming enrollment.

The re-enrollment deposit amount will remain \$400 for the oldest child and \$200 for each additional child in the same family and household. Re-enrollment deposits will be posted to your FPD billing account, divided into four equal installments over the period of February – May.

If you pay FPD via bank-draft, you will receive your normal February statement on or about February 1, which will reflect the first re-enrollment deposit installment, to be drafted on your normal monthly draft date.

Q> What if I choose to not re-enroll my child for the next school year?

If your situation has changed and you are not planning to re-enroll your child at FPD for the next school year, please notify our enrollment office of your intent before February 1. Contact Kris Vaughn at kris.vaughn@fpdmacon.org or (478) 477-4774. If you notify us during February, after the first re-enrollment deposit installment has been posted to your FPD billing account, we will be glad to fully credit that charge from your account.

Q> What if I am unsure of my intent to re-enroll my child?

We understand that things change, which may cause some question about your child's enrollment for the upcoming school year. We are happy to work with you! Contact Kris Vaughn at kris.vaughn@fpdmacon.org or (478) 477-4774, to talk through your situation.

Q> What if I am receiving tuition assistance?

A family's ability to pay tuition is a key factor in the enrollment decision. If you are applying for tuition assistance for the upcoming school year, and the tuition assistance award for your child is insufficient to meet your financial needs, then we will fully refund your re-enrollment deposit. For details and more information about FPD's tuition assistance program, go to www.fpdmacon.org/tuition-assistance.
