FPD facilitates the billing of tuition and fees through your FPD Smart Tuition account, your secure online account that is accessible to you 24/7/365. Your Smart Tuition account enables you can make a payment, set up a recurring payment schedule, review payment history, change/edit payment and personal information, view invoices, and see an itemized breakdown of tuition, fees and discounts billed to your account. For more information about accessing our FPD Smart Tuition billing account, contact Kay Sexton, FPD student billing coordinator, at kay.sexton@fpdmacon.org or (478) 477-6505, or contact Smart Tuition directly at info@smartrtuition.com or (888) 868-8828.

Tuition & Fee Schedule

- Tuition and technology fees are billed via your FPD Smart Tuition account in monthly installments from June, 2019 through May, 2020.
- Tuition and fees are due on the first (1st) of each month and become past due on the twentieth (20th) of that same month. An extension is granted for families who pay via autopay. For families who pay via autopay, tuition and fees become past due on the last day of that month.
- Fees for most optional services are also facilitated through your FPD Smart Tuition account, such as dining, instructional support, and after-school enrichment.

Payments

- Payments on your FPD Smart Tuition account can be facilitated in a number of ways. Pick the option that is best for you!
 - **Autopay:** The most popular method of paying FPD tuition and fees is via automatic recurring monthly payments. Set it up once and your payment will be automatically drafted thereafter on the monthly date that you specify. You can choose to pay via an automatic monthly bank draft or through a credit card (convenience fees apply if using credit card). If you are already set up for autopay, it will continue for the 2020-21 school year.
 - **Online:** Access your FPD Smart Tuition account anytime to make a payment. You can choose to pay via a bank draft or credit card. Convenience fees apply if using a credit card.
 - **Call it in:** Call in your payment through Smart Tuition at (888)868-8828.
 - **Mail it in:** If you would prefer to mail in a payment, that's fine too! Mail your check directly to Smart Tuition at PO BOX 11731, Newark, NJ 07101-4731 OR to Smart Tuition at PO BOX 54228, Los Angeles, CA 90054-0228. Please remember to include your Smart Family ID and allow 5-7 days for Smart Tuition to receive and post your payment.
 - **Drop it off:** You are always welcome to deliver your payment directly to the school. We would love to see you! Deliver your payment to the FPD business office in the administration building.
- If a check, bank draft or credit card payment is returned to the school due to insufficient funds, a NSF fee of \$30 will be charged to the family account.

Registration & re-enrollment deposits

- The re-registration (also called re-enrollment) deposit is a non-refundable pre-payment of the 2020-21 tuition. This deposit serves as a commitment to the school of the student's enrollment for the 2020-21 year.
- The registration deposit is \$400 for the oldest child and \$200 for each additional child enrolled from the same family and household.
- FPD began an automatic enrollment program in 2016. Families are automatically re-enrolled each school year unless they notify the Enrollment Office. This process saves parents' time and reduces paperwork while creating a more seamless process for planning purposes. In accordance, this year your child(ren) will be automatically re-enrolled without you having to fill out and return any paperwork.
- **You can opt out of your child(ren)'s re-enrollment by notifying the Admissions Office by February 1, 2020. By re-enrolling, the administration and staff at FPD are reserving a place for your child and allocating resources to serve him/her next school year. In turn, you are committing to enroll your child for the entire 2020-21 academic year and honor the full amount of tuition.**

Past due tuition and fees

- If a past due balance exists on the account after the 20th of the month (last day of the month for families who pay via autopay), a monthly finance charge of 1.5% of the balance will be assessed to the account. The minimum monthly finance charge is \$15 per student.
- FPD withholds all reporting of grades if tuition and fees are 30+ days past due. This includes transcripts, report cards, progress reports and access to grades in *Net Classroom*.
- If a past due balance becomes sixty (60) days or older, all enrolled children must remain at home and discontinue participation in school activities, until the account is brought up to date.
- No student may be re-enrolled whose account has an outstanding balance from the previous year.
- No student may participate in summer school-related activities, team practices or team camps, whose account has an outstanding balance from the previous year.
- A senior student's account must be paid in full before he/she may participate in graduation and receive his/her diploma.
- Grades, final report cards and transcripts for a student can be released only after all charges for that student have been paid in full.

Tuition refund policy

- **A family who enrolls their child(ren) for the 2020-21 academic year commits to pay 100% of the tuition and technology fee, even if circumstances cause the family to withdraw their child(ren) mid-year.**
- If a family is required to move more than sixty (60) miles from the FPD campus, and has prepaid a portion of the annual tuition, a partial refund in tuition may be warranted. Any request for the refund of tuition should be made, by letter, to the Business Office.
- If such a move takes place during the summer months, and the refund is approved, 100% of the paid tuition may be refunded retroactive to June 1. However, none of the pre-paid registration deposit is subject for a refund.
- If the move takes place during the academic year, and the refund is approved, a pro-rated portion of the tuition, less the pre-paid registration deposit, may be refunded based on the number of days that the child is enrolled.
- Withdrawals for any other reason do not typically warrant a refund in tuition.
- Registration and re-enrollment deposits are not refundable.

Affording FPD

- FPD offers a need-based tuition assistance program (TAP) to assist families, who have a legitimate financial need, to afford a FPD education for their child(ren). A family may apply for 2020-21 TAP after enrolling their child(ren) for the 2020-21 school year.
