Follow the directions on [fpdmacon.org](http://fpdmacon.org) regarding self-selected reading. In addition, you will read

### **1984 by George Orwell**

Read the book carefully, annotating as you read. Annotations should show close reading of the novel and include commentary as well as underlining/circling, etc.

You must answer the following questions about the book and be prepared to turn them in on [turnitin.com](http://turnitin.com) on the due dates listed below. You can expect quizzes and tests over each book.

If you do not know what to write for annotations, you might want to read the questions below before reading and mark passages that will help you write or responses. Also, you might want to use the SQuEAL method:

- **Summary:** explain what is happening in the story. You might also explain the **significance** of these events, especially in later chapter when the picture becomes more clear.
- **Questions:** ask a specific question about the story or about why an author wrote it the way he/she did.
- **Emotions:** tell how the events in the story make you feel. Do you think the character is making good choices?
- **Analysis:** discuss the theme, point of view, setting, conflict, or literary devices such as tone, diction, imagery, syntax, overall writing style.
- **Links:** tell how events in the story relate to your life or the lives of people you have heard of or to characters in other books, plays, movies, or tv shows.

#### **1984 by George Orwell (questions and annotated book due Friday, August 13)**

1. Throughout the novel, the Party uses Newspeak to control its members. Do you think it is possible to control people by adding or subtracting certain words from a language? Do words have importance to you personally? Explain your answer.
2. There are various examples throughout the novel of the Party changing history or entirely wiping out people's memories? Why do they do this? Why should historical facts and memories be important and valuable to you?
3. How does the Party use fear to manipulate its members? How do people feel knowing Big Brother is always watching them? How do you feel knowing God is watching you? Is it a fearful feeling or a comforting one? How do God's methods of working in your life differ from Big Brother's influence in the lives of Party members?
4. Take one of the Party slogans (War is Peace, Freedom is Slavery, Ignorance is Strength) from *1984* and explain how it is meant to affect the people of Oceania. Then explain how it is similar to something specific you see happening in our culture today.

**CONTINUED BELOW**

5. [SPOILER] Towards the end of the novel, O'Brien asks Winston:

*"Do you believe in God, Winston?"*

*"No."*

*"Then what is it, this principle that will defeat us?"*

*"I don't know. The spirit of Man."*

Is the "Spirit of Man" enough to defeat the Party? Why or why not? Is the "Spirit of Man" enough for you to overcome obstacles in your own life? Why or why not?

6. What, in your opinion, are the worst parts of the world created in *1984*? Would God allow a world like the one in *1984* to exist, or would He step in and overthrow such a culture? Would living in a world like the one in *1984* change your beliefs? Explain your answer.
