

Private Scholarships...*Double Check all Dates with Scholarship Personnel*

This is just a list of some to consider. It is not updated on a regular basis so be careful with all dates and deadlines.

LOCAL.....may have to cut and paste some sites into your browser.

Typical Deadlines

*A lot of local scholarships are housed on the Community Foundation of Central Georgia website. Many of these all have the same application and the same due date. Last year, it was in March.

<https://cfcga.org/for-students/scholarships/>

*There are other local scholarships listed on the same website (such as Peyton Anderson, R.A. Bowen, and Jacques Foundation). See this link <https://cfcga.org/other-local-scholarships/>. These can all have different applications and deadlines. Please see each scholarship individually. It is easy to use this page as a reference for each one.
