

Dining at FPD

FPD's new dining plan for the 2021-2022 school year includes the return of an optional all-inclusive, five-day dining plan. Students in 3K through twelfth grade can opt-in to a dining plan that includes a range of delicious and healthy meal choices. FPD's dining provider, SAGE Dining, uses locally-sourced, organic ingredients as often as possible, including items from FPD's own gardens! All food is fresh, made the same day, and reviewed by a SAGE Dining dietician to ensure top quality meals for our Vikings!

Menu Selections 3K - Kindergarten

Lunches include an age-appropriate entree, delicious sides, fruit, and hormone-free milk or 100% juice. SAGE staff deliver the lunches to your child's classroom.

Menu Selections 1st - 12th Grade

- **Main Ingredient Station** with choice of two healthy and delicious homemade entrees and side dishes
- **Pizza and Pasta Station** with a variety of homemade pizza and pasta dishes
- **Extensive Deli Buffet and Panini Station** with house-carved meats, a variety of bread, delicious sandwich toppings, and homemade hummus
- **Build-your-own Salad Bar** with fresh cut fruits, vegetables, local lettuces, and house-made salads and dressings
- **Beverages** including tea, milk, juice, water, and spa water
- **Monthly Specials** including a sushi station, smoothie bar, carving station, ice cream bar, baked potato bar, and more

New!

FPD's Viking Hall Lunchroom will be transformed into an open dining experience. To reduce wait times for first through twelfth grade students, food selection stations will be located throughout Viking Hall. Students in these grades on the dining plan can select from any of these stations and go back for seconds as needed.

Monthly Dining Plan Cost

*Rates are subject to change based on the percentage of student participation. Parents will be given a 30-day notice of any pricing changes and can opt out if preferred.

Dining Plan FAQs

If my student is NOT on the dining plan or forgets his or her lunch, can he or she purchase individual food items?

The purchase of individual (a la carte) items during the lunch period will not be offered; however, students may purchase a daily lunch. This includes unlimited seconds for 1st -12th grade.

While the dining plan is a much better value, students who are not enrolled in the dining plan may still purchase a daily meal for \$8 - \$13, depending on the grade. Also, snacks will be available for purchase by middle and high school students during select morning activity periods and for all students after school.

Students can use their ID to purchase snacks, which be billed to the family tuition account.

Daily lunch rates if not on the dining plan:

3K-Kindergarten	\$ 8	6th-8th	\$ 12
1st-5th	\$ 10	9th-12th	\$ 13

May I change my plan?

Yes. Parents must give the Business Office a written notice 30 days in advance.

May I eat with my child in the Dining Hall?

Yes! In 1st - 12th grade, parents and grandparents can join us for lunch. Please check in with the Viking Store or the Elementary School office for a Visitor Dining Pass for \$13.

How will the Dining Plan be noted on my child's account so he/she can access Viking Hall during lunch?

Each student in 6th-12th grade can use his or her Student ID for access to the Viking Hall lunchroom. Likewise, lower school teachers will have a list of students on the dining plan.
