# SCHOOL SUPPLY KITS

1st - 5th Grade

2018 - 2019 School Year

## Why purchase?

FPD Elementary School Supply Kits allow students to have exactly the supplies they need on the first day of school. The prices for supplies are competitive with Walmart and office supply stores. These kits simply save parents the hassle of shopping for supplies and allow all students to have the tools needed for their studies.

## When is it due?

Please return this form to the Admissions office. Billing will be deferred and charged to your billing account in equal installments over the months of September, October, and November.

## Automatic Renewal

To streamline our supply purchase even further, families who purchase school supply kits for the 2018-2019 school year will be enrolled in **automatic renewal**. Families will be notified of the price of the school supply kits each year. Once these prices are announced, you can choose to opt out of purchasing the kits by notifying Renita Eversole at [renita.eversole@fpdmacon.org](mailto:renita.eversole@fpdmacon.org). Otherwise, no additional paperwork is needed to purchase a kit through fifth grade.

## Replacement Supplies

The materials included in the kit are sufficient for the entire school year. However, The Viking Store has additional supplies or replacement items that can be purchased as needed at any time.
