FREQUENTLY ASKED QUESTIONS

How are Enrichment Program plan fees assessed? All billing for FPD Enrichment Programs is handled through the family's student billing account with FPD. Charges are posted to the account and will appear on the monthly family billing statement on the month following use of FPD Enrichment Programs. For monthly enrollment, the Enrichment Programs billing period is a ten (10) month period that begins in August and ends in May. The fee for a child who enrolls after August is pro-rated based on the number days remaining in the school year.

Do the fees include care for school holidays and breaks? No. FPD Enrichment Programs do not operate during school holidays and breaks. The fees listed above apply to days when school is in session only.

Are there discounts for siblings? There are no automatic discounts for families with multiple children enrolled in Enrichment Programs. However, FPD offers a need-based tuition assistance program (TAP) to assist families who have a legitimate financial need afford a FPD education for their child(ren). Requests for TAP should be directed to Kay Sexton (kay.sexton@fpdmacon.org) at the FPD business office.

Do you reduce the monthly charge on months when school is out for a holiday? Rates are based on an annual amount and are then divided over ten months - August through May. Monthly rates are discounted in August (50%), November (25%), December (50%) and March (25%).

What if my child is not on a Enrichment Program plan, but an emergency arises requiring a need for after-school care? No problem. FPD's Enrichment Programs are available on a drop-in basis to children enrolled at FPD. Drop-in rates are \$10 per hour. Please give a 24-hour notice.

What if my child is absent from school? If a student is enrolled in an Enrichment Program plan and is absent from school for more than five consecutive school days, some concession may be made on the monthly fee. Parents are encouraged to contact FPD's Enrichment Program at enrichment@fpdmacon.org if this situation occurs. If the child is absent for five or fewer days for any reason, including a school sponsored activity, no discount is provided.

What about early dismissals? If your child is enrolled in an Enrichment Program plan which coincides with an early dismissal day, Enrichment Program staff will care for your child without any additional charges. Students who are not on a Enrichment Program plan and require Enrichment Program services on an early dismissal day should contact staff at enrichment@fpdmacon.org to arrange for the care, which will be billed at the drop-in rate of \$10 per hour.

May I change or cancel my Enrichment Program plan? A family may change or cancel the Enrichment Program plan for his/her child at any time during the school year with a written notice to enrichment@fpdmacon.org.
