

We will be hosting an Empty Bowls event on **Friday, February 4th**, from **3:00-5:00** in the FPD lunchroom.

Empty Bowls is a project in which pottery is created by art students. At the event, the bowls and a soup dinner are sold. 100% of the proceeds go to agencies that aid hunger and homelessness in Macon. Families are then encouraged to take their purchased bowls home, leave it on their table and pray for those who truly have empty bowls.

Thank you so much for your support.
